FOREWORD

WE are proud to present this log of the classes and activities of the School year 1952-53 to the students and faculty of F. C. S. In this log you will have a permanent, pictorial record of the past year: faculty, classes, clubs and the Golden Falcons. It is our sincere wish that by turning the following pages, many fine memories of this year will return to you now as in future years.

DEDICATION

*I*T is with great pride and pleasure that we dedicate this log of our journey to our guide, Miss Edith Weaver. All along the way she has helped us to get to know ourselves - our real interests, abilities and opportunities. Taking a deep personal interest in each, she devotes each day to working out our problems and planning material which will help us to determine our careers. Although her job is immense and her time precious, she is always a patient and sympathetic listener when we need her. We are happy to have this opportunity to say "thank you."

IN MEMORIAM

ON November 12th of this year the Falconer Central School was greatly saddened by the death of our beloved supervising principal, Harvey C. Fenner. Mr. Fenner had served in the Falconer Schools for the past 25 years and was dearly loved and respected by all his pupils and associates.

Born in Rochester, July 8, 1904, Mr. Fenner attended Albany State Teachers College and then became vice-principal at Briarcliff Manor High School. He came to Falconer in 1927 as science and math teacher and later became vice-principal. In 1937 he received his master's degree after graduate extension study at several different colleges and universities. He was named first supervising principal of the Falconer Central School District.

Mr. Fenner was an active member of his church and community and will long be remembered by the students of F. C. S. for his fine spirit and personality. It is the hope of these students that the grace of God rest upon him forever more.

IN MEMORIAM

THE sudden death of Mr. Julian S. Bigelow at the first of this school year came as a great shock to the faculty and students of F. C. S.

Mr. Bigelow was born October 18, 1902 in Portland Maine. He attended Bowdoin and Bates colleges, and took his master's degree at St. Bonaventure College. He came to this school five years ago as head of the English Department. He taught English III, dramatics, public speaking and literature. Mr. Bigelow was also an active faculty member of the Honor Society and took part in the Little Theater of Jamestown.

Mr. Bigelow's classes were always lively and interesting with his quoting from various dramas and poems as well as acting out passages from them. He was truly a great friend of the student body as well as the faculty and they will long remember him for his sense of humor and many quotations.

BOARD OF EDUCATION

Row 1: M. Russell, M. Swanson, J. Henderson, E. Larson, A. Scoma.
Row 2: G. Benson, L. Baker, L. Anderson, W. Steele, C. Stowell.

THE school board stands ready at all times to render its services. It appropriates money for the Corridor, Falcon, and other school projects. The members devote much time and effort to provide us with the proper educational opportunities. For these and other reasons the Corridor wishes to express its sincere appreciation to the Board of Education.

ADMINISTRATION

*Best wishes!
Gregory Benson*

Carl J. Stowell

Carl Stowell, High School Principal,
Gregory Benson, Supervising Principal.

THE administration and faculty of Falconer High stands ever ready to serve the student body. Their job consists not only of teaching, but of giving personal guidance, acting as chaperons, and setting a good example to high school students.

At their fingertips must at all times be kept methods of proper discipline, impartiality, and with this they must possess a sense of humor and a liking for the students.

 SECRETARY Jackie Wensley
 TREASURER J. Lindquist

STUDENT Council is the law making body of Falconer Central School. Permission has to be granted by this body before any school organization holds a social activity or a money making project. Each home-room elects a representative, thus all laws that are passed have the full backing and consideration of the student body.

THE Junior Class is one of our busiest classes because of the preparation for the Junior-Senior Banquet and the Prom. In order to raise money for these events the class charges each member one dollar a year in dues. It also manages a concession stand at a game and has bake sales. A Turkey Sock Hop was its dance for the year and was held in November. The major source of income is the sale of magazine subscriptions. A contest is held and awards are given to those who sell the most subscriptions. Juniors may order their Class rings in January and receive them in the Spring. All Juniors have a share in the work and fun that this year brings.

I wish loads of luck and fun.
And hope you'll always remember
The many things we've done.

The "Falcon" brought us together.
And what we did go through!
Getting the news in and on time
Seemed more than we could do.

Remember "gadda" and "Honey"
And the many hours we spent
Learning to do the turkey trot.
That was an accomplishment.

And then there's the school picnic.
Remember all we ate?
And how that night we did the town
And didn't get home till late.

Don't forget the piggy bank
You won for me that night
When we were at the carnival.
You really did all right!

I want to tell you thank you,
For all the gum you gave me.
And for the cakes you bought me,
When I was out of money.

I hope that we will always
Be real friends to each other.
And that we will be able to have
A lot more fun together.

Love

"Ellie"

I can shirley
 had a Wend
 this year, lot of fun
 I wish I could have
 know you. all the
 high school instead of just
 senior year. When I get enough
 money I'll buy you a piggy bank. There isn't
 you have one. Lots of luck in everything
 you do.

Dear Shirley,
 Hope you at
 square dance.
 Always,
 Cindy

I'll miss your
 friendly smile next
 year. Lots of luck shir.
